The Career Fair will be held on **February 28th** and **March 1st** in the College of Architecture building at Texas Tech campus.

This year's career fair will give motivated undergraduate and graduate architecture students the opportunity to explore full-time, part-time, internships, and seasonal positions, as well as opportunities, to meet prospective employers.

Mixers with the attending architecture firms will be held on the evenings of Wednesday, February 27th and Thursday, February 28th. The mixers will allow an excellent opportunity for students to meet potential employers.

In preparation for the career fairs, the college will be hosting Portfolio/Resume workshops and reviews. Announcements of dates and times will be coming soon.
