

## **Senior Center Renovation, Muleshoe, Texas**

2002 Fall-Spring: ARCH Studio 5605/Service Learning (\$3,000)

Manager/Principle Investigator: Ben K. Shacklette, AIA and David A. Driskill, AIA

Students: Kate Dougherty and Mat Jasper

2002 Summer: CDS Funded Research/Community Service Project

Manager/Principle Investigator: Ben K. Shacklette, AIA

Research Assistants: Bart Shaw, Brent Wright, Pavlina Ilieva

Client: Nancy Kidd

### **Project Description:**

Survey and documentation of an existing vacant downtown building for adaptive re-use potential. Working with local organizations the student design team developed a program and design studies for a 14,000 sq. ft. senior center which will also function as a community meeting center.
